Agew Fire Doors

Agew Steel provides a wide range of state-of-the-art FIRE DOOR PRODUCTS for use in construction with internationally recognized UL LABELS (UNDERWRITER'S LABORATORIES INC. USA). These UL labelled Fire doors along with UL labelled Frames, Side light & Borrowed light frames, Transom frames, Double Egress Doors & Frames are manufactured with technical know how from M/s KARPEN STEEL PRODUCTS INC USA, Who have experience of more than 30 years in

manufacturing pressed metal doors. We are India's first UL certified manufacturer of Fire door products. We export our products to many countries Viz. USA, Australia, UK, UAE, Saudi Arabia, Kuwait, Bangladesh, Sri Lanka etc. These doors are of seamless edge, flush type, fully welded & vertically steel stiffened & are available with a wide variety of hardware for use in varied applications.

Fully welded door construction provided more stability to the door in case of fire.

The doors are available in ratings of 3 hours, 90 minutes, 45 min. & 20 min labels. Frames are available in 3 hour ratings & side light, borrowed lights, transom frames & window frames in 45 min & 20 min labels.

We can also offer 120 minute fire doors as per IS 5614 & BS 476 part 20-22 duly tested at CBRI Roorkee and at FERL IIT Gandhinagar.

These doors are available for use in industries, apartment buildings, hotels, hospitals, airports, public utility buildings, steel plants, power plants, textile plants, factories, etc. wherever there is a fire hazard and fire protection
